RE: Waiver of Book of Order limitation on consecutive terms

Dear Stephen:

The Jemez Springs Community Presbyterian Church is in need of this waiver of limitation on consecutive terms for our elders. As you know we have a very small number of members of which most are very elderly. These members have served as elders some time in their history with the church and new members have taken their places. Three of our current elders have been members for four years or less and the fourth is also a newer member than most of the rest of the congregation.

We are currently having a new member drive but the results will not be effective until after the election of our elders for the year.

Please submit this to your docket for the next presbytery meeting. Your attention to this matter will be much appreciated.

Respectfully Submitted,

Good Morning Stephen.

Emmanuel Presbyterian Church of Peñasco is requesting a waiver of the two 3 year terms for both deacons and elders. Without it we simply will not be able to fill slots for 2019. I know this has to be approved by the presbytery and hopefully that can be done at Ghost Ranch.

Thanks so much,
Stephen D.
